

# MONSA®

PREMIUM FROZEN FOOD SOLUTIONS

## Crafted for kitchens that move fast.

Cold cuts, ready-to-cook favourites and customised solutions  
for India's HoReCa industry.

SMART FOOD SOLUTIONS FOR PROFESSIONAL KITCHENS.

OUR STORY

# Built for professional kitchens.

Established in 2013, Monsa Foods Pvt. Ltd. was created with a clear purpose: to bring dependable, high-quality convenience foods to India's growing food-service sector. From cold cuts and toppings to breaded snacks and kebabs, the portfolio is shaped around the realities of busy commercial kitchens. Each solution is designed to support faster preparation, repeatable portions and versatile menu applications across service formats.

## OUR PROMISE

**Quality that saves  
time, effort and cost.**

Today, MONSA serves restaurants, cafés, pizzerias, bakeries, cloud kitchens and institutional buyers with frozen products designed for consistency, speed and menu versatility.

EST. 2013

FROZEN RANGE

HORECA FOCUSED

**From standard favourites to customised food solutions, we help culinary teams deliver more - with predictable portions, simpler prep and reliable taste.**

# One partner. Multiple menu possibilities.

## COLD CUTS

Sausages, frankfurters, salamis, hams and bacon

## BREADED RANGE

Chicken strips, burger patties and nuggets

## PIZZA & WRAP TOPPINGS

Pepperoni and versatile chicken toppings

## READY KITCHEN FAVOURITES

Kebabs, wings, fries, spring rolls and samosas

MENU VERSATILITY

# From freezer to signature serve.

MONSA®

MONSA products are designed to cross-utilise across dayparts and formats - helping kitchens build variety without multiplying prep complexity.

## PIZZERIAS

Pepperoni, chicken toppings and appetisers

## CAFES & BAKERIES

Cold cuts, smoked breast and sandwich fillings

## QSR & CLOUD KITCHENS

Patties, nuggets, strips, fries and wings

**Also serving hotels, restaurants, institutional kitchens, retail and food-service distributors.**

WHY MONSA

# Performance you can build a menu around.

## CONSISTENT QUALITY

01

Standardised taste, texture and portioning across every service.

## FASTER EXECUTION

02

Reduced preparation time helps teams serve more efficiently.

## COST CONTROL

03

Predictable yields support tighter food-cost and inventory planning.

## CUSTOM SOLUTIONS

04

Products can be developed around specific menu and operational needs.

## FROZEN CONVENIENCE

05

A practical format for storage, planning and dependable availability.

## VERSATILE PORTFOLIO

06

Solutions across breakfast, snacks, mains, add-ons and appetisers.

### OUR OPERATING IDEA

## Make great food easier to execute.

So every kitchen can compete on speed, quality and creativity.

# Made for professional kitchens.

A versatile range for menus, toppings, breakfast service, snacks and centre-of-plate applications.
